

## N QUADRA Z - NITINOL ZERO TIP BASKET

Stone Basket is intended to be used in an endoscopic procedure for removal of urinary stones or foreign objects from the Ureter or the Kidney.

### Key Features

- Zero tip design reduces chances of perforation and mucosal damage, which also avoids stone migration during the procedure
- Nitinol wire construction which has high strength and high memory helps the basket to retain its shape during extreme torsion
- Ergonomic handle permits full disassembly during impregnated stone.
